

TRIBUTE TO TORRANCE

Salute to this bustling, wide-awake community in stride with present day progress - confidently advancing to an even greater future.

We are proud of our contribution to this industrial growth, glad that through our refinery and plant we have been able to help swell the community payroll that has played an important part in the development of this thriving town and in the well being of its citizens.

We are looking forward to a continued identity with the future growth and prosperity of this community, and hope that in no small measure we may play a part in this industrial development.
